**VIEW -B- GROUND SYSTEM FOR CANARD PUSHER**

FIRWALL GROUND BUS IS OPTIONAL DEPENDING ON HOW MUCH "STUFF" NEEDS A GROUND AMIDSHIPS. SOME DESIGNS INSTALL EQUIPMENT IN FRONT OF FIRWALL AND BEHIND REAR SEAT. IF YOU DON'T NEED A FIRWALL BUS, USE BRASS HARDWARE TO CARRY GROUND THROUGH FROM COCKPIT TO ENGINE COMPARTMENT 5/16" MIN DIAMETER - 3/8" DIAMETER BETTER YET.
